

## Urban Eagles Host Second Neighborhood Tournament

The "Urban Eagles", a ministry to inner city youth by the Charlotte Eagles pro soccer franchise, hosted their second tournament in March.

The Urban Eagles are involved in four neighborhoods in East Charlotte with weekly soccer practice followed by a Bible study; weekly tutoring sessions and a monthly soccer tournament for the youth who participate in the weekly sessions. The Urban Eagles are partnering with several churches and organizations that are already active in that community: Meyers Park Presbyterian Church, Crossroads Corp., Westminster Presbyterian Church, and Renovatus Church.

If you would be interested in volunteering to assist with this outreach or donating to support the ministry, please contact Paul Shedd at [pshedd@charlotteeagles.com](mailto:pshedd@charlotteeagles.com).
